This document contains unaudited interim financial information, which has not been reviewed by the statutory auditors of Compagnie de Financement Foncier (the "Company"). It is a free English translation of the unaudited quarterly financial information required to be published by the Company. It is provided for information purposes only and shall in no event be considered as an invitation to invest, a solicitation of business or a public issue and does not constitute an offer to buy, sell, subscribe, or provide financial services. It should also not be considered as a recommendation or a solicitation to buy or sell obligations foncières.

In particular, this document and the information contained herein do not constitute an offer of securities for sale in the United States. No securities of the Company have been or will be registered under the US Securities Act of 1933, as amended (the "Securities Act"). Pursuant to an Order of the Securities and Exchange Commission, the Company has been exempted from all provisions of the Investment Company Act of 1940, as amended, subject to compliance with certain conditions. The Company does not intend to register an offering in the United States of America or conduct any public offering of securities in the United States of America. This document and its contents may not be viewed by persons within the United States of America (within the meaning of Regulation S under the Securities Act) other than "qualified institutional buyers" ("QIBs") as defined in Rule 144A under the Securities Act ("Rule 144A"). Obligations foncières may not be offered or sold in the United States of America except to QIBs in reliance on Rule 144A or another exemption from, or transaction not subject to, the registration requirements of the Securities Act.

Any investment decision to purchase any obligations foncières of the Company should be made solely on the basis of the final terms and conditions of such obligations foncières and the information contained in an offering memorandum produced in connection with the proposed offering of such obligations foncières and no reliance is to be placed on any representations other than those contained in such offering memorandum, which will be published by the Company in connection with a proposed offering. Any offering memorandum produced in connection with any offering of obligations foncières may contain information different from the information contained in this document. Prospective investors are required to make their own independent investigations and appraisals of the business and financial condition of the Company and the nature of the obligations foncières and consult with their own financial, legal or other advisors before taking any investment decision with respect to obligations foncières of the Company.

This information is provided "as is", and is for information purposes only. It has nonetheless been supplied by sources that are deemed to be reliable. However, where information was furnished by third party sources, the Company has not verified the accuracy and completeness of such information.
